Dear Mr. Chris Fussner and Dr. Lynne McNamara,

Warmest greetings from Vietnam National University – Ho Chi Minh City (VNU-HCM).

On behalf of VNU-HCM, I am writing to express our sincere thanks to Vietnam Education Foundation for your contributions to the development of Vietnam higher education. During the operation for 9 years, VEF has offered over 400 fellowships to Vietnamese students to pursue graduate degrees and post-doctoral professional development at U.S institutions as well as arranged teaching opportunities for nearly 20 American professors to teach at Vietnamese institutions. In addition, VEF also plays an important role to integrate Vietnam into the world-university system via workshops and seminars in Vietnam. These achievements are a convincing demonstration of VEF's effective and successful operation since 2003 up to now.

We do appreciate what you have contributed to support Vietnam universities, especially your continual assistance to VNU-HCM. We trust that the partnership between VEF and VNU-HCM will be more and more strengthened in a sustainable manner.

Sincerely yours,

Phan Thanh Binh  
President,  
Vietnam National University – Ho Chi Minh City
